**Saturday – 4 June**

- We load the educational materials at McCarthy VW in Parow, during Friday morning (3/6).

We depart CT on Saturday morning at 5.45 – as arranged with your team leader.

The breakfast briefing is at the Elgin Country Club at Grabouw.

From there we deliver, in 6 teams, the materials to 21 schools in the area between Caledon and Barrydale. We have worked with these schools in the past and the purpose of this Rally is to assist the teachers to “maintain the momentum” of the programme. Each team of about 7 vehicles, delivers the books – in “box libraries” – and other educational materials, to 3 or 4 schools.

Overnight will be at De Hoop Nature Reserve. We will arrive there late afternoon, have dinner that evening and stay in the variety of accommodation they offer there.

**Sunday – 05 June**

The next morning, after breakfast, Rally participants are encouraged to participate in a guided walk - either along the beach or to learn more about the fynbos.

Departure is at leisure. De Hoop is 3 hrs from CT.
