## A possible extra... Help feed a learner

Should you wish to contribute additional money to ensure that each child gets a meal on the day the Rally visits his/her school, please note that R1 000 will feed 100 kids. (There are approx 40 000 children at the 152 schools who participate in the Rally. We aim to accumulate R200 000 for this very special project.)

Please indicate the amount you are willing to contribute towards the Rally Feeding Fund.

## Another extra.... Soccer teambuilding

Rally to Read has supported Dreamfields for the past two years. Dreamfields is an initiative that works together with the Department of Basic Education to help make weekly sport a vibrant part of school life. The goal is to create DreamLeagues across South Africa in a range of sports, starting with football. As a Rally to Read participant, you can contribute towards this worthy cause. DreamBags cost R7 500 and consist of shirts, shorts, and socks in the school's colours; boots, balls and shin guards; a whistle, goalie gloves, a pump, and a shirt for the coach. The sponsor's logo will be branded on the shirts and the DreamBag.

Please indicate how many DreamBags you would like to contribute. Each Rally team/convoy will visit at least two schools on Rally day.
