Dear Rally Supporter

Some Rally 2010 dates to pencil in your diary!

While 2009 is winding down, the McCarthy Rally to Read team is working full-steam ahead to finalise the details of the 2010 Rallies, which will again be held over the five weekends of May.

In 2010, the Rally will be visiting brand-new schools in Limpopo, KwaZulu-Natal North, and the Eastern Cape, which always requires a good deal of work before we are in a position to communicate the finer details. We are also in the process of confirming with the schools and READ for the third-year and re-visit rallies in the other provinces.

I will communicate all the details with you early in 2010, but would like to ask you to pencil in the dates for the 2010 rallies in your diary so long!

Best wishes and kind Rally regards,

Iris Francis

Group CSI and Internal Communications Manager, McCarthy
